

Rescheduling Policy

Coaches may request reschedule if **team** is unable to field a minimum game squad (per KSA bylaws) for reasons limited to school, church and scouting events. In addition, NMCSL teams with more than 3, or KSA teams with more than 2, Sunday games may request a reschedule.

Reschedules are not made due to coaches absences – suggest at least 2 assistants registered/background

The window to request a reschedule of an originally scheduled game is limited to two weeks from the day schedules are published. KSA will not accept any requests to reschedule games after this window is closed.

Reschedule requests shall only be considered when submitted on appropriate forms. Reschedule request forms are available on-line under Coaches Corner. Coaches shall complete form and email to commissioner .

Reschedules are reviewed on a case-by-case basis.
