

GET GAMES

Register as a referee with Keller Soccer to get your games.

To Referee with Keller Soccer, you are considered an 'independent contractor' -free to referee with any of the area associations. Registering as a referee does not guarantee any minimum number of games nor any age level of assignment.

KSA will require all referees (all ages) to complete a W-9 (*a North Texas Soccer requirement of KSA), and you will be provided a 1099 if you exceed \$600.00 in payment for ref duties in a single calendar year.

In order to be assigned to ref games for Keller Soccer Association at Keller Sports Park you MUST:

1. Join the KSA assignment group via the assignr.com website. KSA Assignor (Thomas Moran) uses *assignr* for all referee assigning. Click here for our [assignr key](#).
2. Attend a Pre-Season meeting (various dates TBD), in order to be ACTIVE for the current season. You will need to have and register an email address and check it daily during the season for your game assignments. KSA Referee Assignor (Thomas Moran), and KSA Director of Referees will be the sources of referee emails.
3. Maintain proper USSF uniform standards, be responsible in keeping availability for assignments current within the system, be reliable in keeping game assignments once confirmed, and be capable in administering the League and local competition Rules in addition to the standard FIFA/USSF Laws of the Game.
